✦ FURNITURE & PRODUCT SOURCING

Furniture, lighting, plumbing fixtures, and décor items are sourced from our existing library wherever possible. If an exact item is unavailable, we will match the closest available alternative. Custom modeling can be commissioned where an exact recreation is required and reference material is provided.

✦ REFINEMENT POLICY

A refinement round includes grouped adjustments submitted together.

Included refinement rounds apply to the overall project and are not allocated per room.

Major layout revisions, new material schemes, new furniture selections, or redesign requests may be billed as an additional refinement round.

Requests submitted after completion of a refinement round will be considered part of the new refinement round.

✦ PAYMENT TERMS

Accepted payment methods: PayPal, Wise, and Bank Transfer.

Essence & Trio packages: PayPal, Wise, or Bank Transfer.

Harmony & Atelier packages: Wise or Bank Transfer only.

Production & delivery timelines commence once the payment and all required project information have been received.

TYPICAL TURNAROUND: 24–48 HOURS PER ROOM DEPENDING ON PROJECT SCOPE.

PLEASE NOTE: DELIVERY TIMELINES BEGIN ONCE PROJECT FILES ARE RECEIVED, PAYMENT IS COMPLETED, AND YOUR PROJECT SLOT IS CONFIRMED. FINAL DELIVERY ESTIMATES ARE PROVIDED AFTER PROJECT REVIEW.

FAQs

Q: *What if I don't have elevations?*

A: We can often work from floor plans, sketches, and reference images; however, additional clarification may be required and delivery timelines may vary depending on the information provided.

Q: *How many views are included?*

A: Each package includes a curated set of views designed to best showcase the space. Additional views can be quoted upon request.

Q: *Do refinement rounds apply per room?*

A: No. Included refinement rounds apply to the overall project and are not allocated on a per-room basis.

Q: *What is considered a refinement?*

A: Material adjustments, colour changes, lighting modifications, styling updates, and other minor visual refinements based on the approved design.

Q: *What is considered an additional refinement?*

A: Changes to layouts, cabinetry design, elevations, room configuration, project scope, or significant redesign requests after production begins may require additional fees and revised delivery timelines.

Q: *Do you provide source files?*

A: No. Deliverables include final high-resolution renderings. Source files remain the intellectual property of RosCo Studio.

Q: *Can project changes affect delivery timelines?*

A: Yes. Changes to approved drawings, layouts, cabinetry, materials, or project scope may require additional production time.

PORTFOLIO & MARKETING USAGE

RosCo Studio may feature completed renderings on its website, portfolio, social media platforms, and marketing materials. Any confidentiality requirements must be communicated prior to production commencing.
